

STOP NOTICE:

Effective March 22, 2020 by 8:00 P.M.

Due to recent discovery of COVID-19 in Kentucky, and by direct order of Governor Andy Beshear, this establishment <u>has decided to</u> <u>close until the order is lifted.</u>

> Thank you! Buffalo Trace District Health Department Prevent. Promote. Protect.

Buffalo Trace District Health Department does not and shall not discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations. These activities include, but are not limited to, hiring and firing of staff, selection of volunteers and vendors, and provision of services. We are committed to providing an inclusive and welcoming environment for all members of our staff, clients, volunteers, subcontractors, vendors, and clients. Communicating the essential public health information should be timely, accurate, and appropriately distributed to the intended target audience. BTDHD understands that a variety of communication methods may be needed to address the target audience intended to receive the message. The purpose of the communication methods as defined in the target audience, and other cultural and linguistic characteristics (e.g. level of literacy, socioeconomic status) must be considered when deciding on the best communication strategies for each public health messages to the target audience (s): new/media, electronic media, face-to-face communication materials. Date of Design: 3/9/2020.
